- (ii) replicate the effect of the Corporate Event upon someone with an interest in the relevant underlying security, to be effective from the date determined by the Company.

6.8 The events to which sub-clause 6.7 refers to are any of the following, by the declaration of the issuer if a security:

- a.) a subdivision, consolidation or reclassification of shares, a share buy-back or cancellation, or a free distribution of bonus shares to existing shareholders, capitalization or share split or reverse share split or similar event;
- b.) a distribution to existing holders of the underlying shares or additional shares, other share capital or securities, granting the right to payment of dividends and/or proceeds from the liquidation of the issuer equally proportionate to such payments to holders of the underlying shares, securities, or warrants granting the right to receive or purchase shares for less than the current market price per share;

In this case, the Company will inform the Client via the internal mail of the said adjustment and no Client consent will be required.

6.12 The Company shall not be liable for any loss, expense, cost or liability (including consequential loss) suffered or incurred by the Client as a result of instructions being given, or any other communication being made via the internet or other electronic media. 6.16 Considering the levels of volatility affecting both price and volume, the Company is constantly seeking to provide client orders with the best execution reasonably possible under the prevailing market conditions. Client's orders (Buy/Sell, Buy Limit, Buy Stop, Sell Limit, Sell Stop, Stop Loss and/or Take Profit) are executed at the requested/declared price. However, during periods of volatile market conditions, during news announcements, on opening gaps (trading session starts), or on possible gaps where the underlying instrument has been suspended or restricted on a particular market, Buy/Sell Stop orders or Stop Loss orders above/below Buy Stop/Sell Stop orders during activation will be removed. The same execution policy applies when a trading strategy is deemed as abusive, because it is aiming towards potential riskless profit or another strategy deemed by the Company to be abusive. Accordingly, placing a Stop Loss order will not necessarily limit the Client's losses at the intended amount

6.17 Considering the volume of the Client's order and the current market conditions, the Company has the right to proceed with partial execution.

The Client further acknowledges that he is responsible for reviewing the contract specifications located on the Company's Main Website for being updated on the level of swap rate prior to placing any order with the Company

6.22 The Client can request to change his account leverage at any time by contacting the Company. The Client acknowledges that the Company has the discretion to change the Client's trading account leverage at any given time, without the Client's consent, either on a permanent basis or for a limited period. 6.24 The Company bears no responsibility when the Client uses additional functionalities/plugin such as Expert Adviser or Trailing Stop since they depend on the Client terminal. In any case where the Company suspects that a Client is using additional functionalities/plugin where it affects the reliability and/or smooth operation and/or orderly of the Company's Trading platform the Company has the right to activate any clause specifically under clause 24, including sub-clause 24.4.

6.25 The Company shall have the right to start closing Client's positions starting from the least unprofitable position especially when the margin level is less than 140%. In the case where the margin level is equal to or less than 100%, then Client's positions are all automatically closed, at the market price

6.26 The Client acknowledges that he is responsible for reviewing the difference between the standard and premium accounts located on the Company's Main Website prior of opening an account and/or placing any order with the Company.

6.27 The Company reserves the right to change the Client's trading account type from Premium to Standard and vice versa based on the total deposits made on the Client's account as well as based on the Client's trading account current balance.

6.28 The Company reserves the right at its own discretion, without the Client's consent, due to risk management policies to transfer the Clients execution type to STP/ECN execution when the Client's trading strategy, exposes the Company to greater risk than the Company can cope with.
